

Warranty Policy

Kansas Aviation of Independence represents and warrants that work performed shall be free from defect of workmanship under normal operating conditions for the following Warranty Periods.

FOR CERTAINTY, KANSAS AVIATION of INDEPENDENCE DOES NOT WARRANT PARTS AND/OR MATERIALS WHICH ARE COVERED BY MANUFACTURERS' WARRANTIES; HOWEVER, KANSAS AVIATION WILL ASSIST ITS CUSTOMERS IN PROCESSING OF CLAIMS OR ADJUSTMENTS ARISING OUT OF SUCH DEFECTS.

WARRANTY PERIODS:

- A. An overhaul is warranted for twenty four (24) months* or 1,000 flight hours, and (12) months* or 1,000 hours for electrical components, whichever occurs first.
- B. Any repair, modification or inspection/test work scope is warranted, but limited to the workmanship of the specific work scope performed, for a Warranty Period of 6 months*.

Kansas Aviation of Independence does not warrant its workmanship against damage or loss caused by negligence, misuse, modification or misapplication of any part or engine.

The Kansas Aviation of Independence liability for breach of its warranty hereunder is limited to the repair and/or replacement of defective parts and the customer expressly waives any right to special or consequential damages.

THERE ARE NO OTHER REPRESENTATIONS OR WARRANTIES OF KANSAS AVIATION of INDEPENDENCE WHETHER EXPRESSED OR IMPLIED, NOR ARE THERE ANY IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR ANY PARTICULAR PURPOSE.

The responsibility of Kansas Aviation of Independence under this warranty is further limited by the following conditions:

- A. The engine has been maintained and operated in accordance with the original manufacturer's manuals or other approved written instructions and the engine or component parts have not been repaired or altered outside of Kansas Aviation of Independence's facility in any way which may impair its safety, operation, or efficiency and have not been subjected to misuse, neglect, accident or damage by the elements.
- B. Engine traceability and hours of operation on the submitted warranty consideration unit shall be provided.
- C. Defects must be discovered before the above mentioned product specific Warranty Period has expired and Kansas Aviation of Independence is given prompt notification in writing at the time such defects are discovered.
- D. The requested warranty consideration unit(s) shall be returned to Kansas Aviation of Independence's facility, freight prepaid.
- E. Any customer furnished material that is supplied for use in a unit is not covered by any portion of this warranty. If a failure occurs that is found to be caused by customer furnished material, then warranty consideration will be denied and normal repair charges will be applied.
- F. Kansas Aviation makes no expressed or implied representation that a zero time replacement unit will be provide under Kansas Aviation's warranty policy.

THERE ARE NO WARRANTIES WHICH EXTEND BEYOND THE DESCRIPTION ON THE FACE HEREOF.
