

P&WC ENGINE PROGRAM CUSTOMER ON-BOARDING

June 2, 2021

Dear Pratt & Whitney Canada Customer,

VSE Aviation is excited to have been appointed as a Pratt & Whitney Canada (P&WC) distributor of line maintenance new spare parts and accessory exchanges for customers, operators as well as maintenance providers located throughout the United States. VSE is pleased to offer comprehensive stocking and distribution of new line maintenance spare parts and accessory exchanges from three locations in the US which will open progressively over the course of 2021 in Miami FL, Phoenix, AZ and Independence, KS.

ESP™ customers will continue to order parts from the dedicated ESP Frontline. Parts will be delivered by VSE beginning in early June for ESP™ customers in the Eastern USA.

You have been identified as a point of contact by P&WC for transitioning your future support requirements to VSE Aviation and to facilitate procurement from VSE as your distributor for new spare parts and accessory exchange needs.

Below please find the information necessary to facilitate the on-boarding process:
