

March 2, 2026

OFFICIAL NOTICE. PLEASE DISTRIBUTE AS NECESSARY.

Dear Valued Business Partner,

Last May, VSE Aviation acquired Turbine Weld Industries. We are excited to announce that as of today our systems are integrated, and we now offer our services under the VSE Aviation Services, LLC name. By combining our businesses, we can offer our global customers a single-source solution with a broader range of products and services and provide more resources to better support our customers.

IMPORTANT:

Please update your systems to reflect that our legal entity name is now VSE Aviation Services, LLC

QUESTIONS AND ANSWERS

Existing & New Orders

1. What about my pre-existing purchase orders issued to Turbine Weld Industries?

Any PO issued to Turbine Weld Industries before the integration will be honored. Orders shipping on or after March 2, 2026, will reflect the VSE Aviation Services, LLC entity. Further, any payments made after March 2 should be made only to **VSE Aviation Services, LLC**.

2. Will contracts have to be amended to reflect the VSE Aviation Services, LLC name?

No formal amendment is required. All existing contractual obligations and terms remain the same. Existing contracts will continue under VSE Aviation Services, LLC, which has assumed all rights and responsibilities of Turbine Weld. Your current Turbine Weld account details will remain the same and your statement of balance will simply reflect the name change.

3. Do I send my orders using the VSE Aviation Services, LLC name?

Yes, please place your orders with your legacy-Turbine Weld contact using the **VSE Aviation Services, LLC** name.

Quality Assurance

4. Has the Quality Manual changed?

No, our QMS and QA Manual content remains the same. Only the legal entity name and logo have changed. Our updated certifications reflecting the VSE Aviation Services, LLC name will be posted at vseaviation.com once they are made available by the certifying entities.

**5. Are all quality accreditations flowing to the VSE Aviation Services, LLC entity? YES
Is re-certification necessary? NO**

6. Do manufacturer and supplier certs show traceability to Turbine Weld after March 2?

Yes, all previous certification received prior to the integration remain as Turbine Weld. You may continue to rely on manufacturer and supplier certs that reference the Turbine Weld entity after March 2. Going forward, certifications will show traceability to the VSE Aviation Services, LLC entity.

7. How should I process RMAs?

RMAs should be processed with your legacy-Turbine Weld representative. Products should be returned to the address listed on the RMA confirmation form so the product can be inspected to verify possible workmanship defect.

Communications & Points of Contact

8. Will emails and websites change?

Yes, the new email format will be *firstname.lastname@vseaviation.com*. However, emails sent to existing Turbine Weld addresses after March 2 will not be lost; they will automatically forward to the recipient for an intermediary period to allow time to update your contact records.

As of March 2, our website is vseaviation.com.

9. Where should I send payments?

Payment should be issued only to **VSE Aviation Services, LLC** to the address listed on your invoice. You may also contact accounting-ks@vseaviation.com. Attached are our new Remit To instructions.
