Industry Leading Turnaround Times

WHEEL & BRAKE SERVICES

Formerly AERO WHEEL AND BRAKE SERVICE CORP. FAA REPAIR STATION NO. U8SR971J and E.A.S.A. 145.6168

At **VSE Aviation Services** *(formerly Aero Wheel and Brake)*, we understand the critical importance of keeping aircraft operating efficiently and safely. That's why we have improved our **Blue Streak** service to offer **unbeatable turnaround times!**

SERVICE TYPE	STANDARD TAT	Blue Streak TAT	AOG TAT
Tire Change	3 days	**2 days****	Same day*
Minor Wheel	4 days	**3 days**	2 days
Overhaul Wheel	6 days	**4 days**	3 days
IRAN (Inspection)	1 day	**1 day**	1 day

**Drop off by 7am. 24-hour leak test will not be performed on Same Day service.*

***Service includes retention test. Should the customer choose to waive the retention test in writing, the TAT would be 1 day.*

SERVICE TYPE	STANDARD TAT	Blue Streak TAT	AOG TAT
Minor Brakes	5 days	**4 days**	3 days
Overhaul Brakes	10 days	**8 days**	5 days
Reseal	5 days	**4 days**	3 days
IRAN (Inspection)	2 days	**1 day**	1 day

TAT shown above are for standard services only. Over and above services may affect TAT.
